Message from Wokingham Council - E-Scooters

Did you know it's illegal to ride a privately-owned electric scooter (e-scooter) in public? You cannot use a privately-owned e-scooter on the road, pavement or in a public space. If you do then you risk receiving a large fine, points on your driving licence and your e-scooter could be seized. Privately owned e-scooters can only be used on private land, with the permission of the landowner. This is because e-scooters are classed as motor vehicles in law. So, in theory, this means that you need a MOT, road tax and insurance to use one, however it isn't currently possible to register e-scooters in this way.

PSA Tea/Coffee Wednesday 17th Nov from 9 till 10am

Please join us for our second out of the three sessions of Supporting Anxiety and Emotional wellbeing in children in the Parent Hut. The presentation that was shared with parents by Jackie Wood is available for you to view on the school website under Parent Partnership/Parent Support. Feel free to attend the session even if you missed the first one. If you wish to join us and did not so on the first session, please email me on psa@loddon.wokingham.sch.uk to register your interest. Kam Bhogal, Parent Support Advisor

Eco Rep Posters

The Eco Reps have been busy over the past few weeks, finding out what every class thinks about climate change and environmental issues. They made posters with the slogans and messages that their classes produced, and these will be shared with the world leaders attending COP26. Thank you to everyone who took part in this process, it's great that our young people are so concerned and well-informed. Mrs Ridell, Eco Leader

Yours sincerely

Mrs S Phillips - Headteacher
